REACH – SVHC CONFIRMATION for Inks and Solvents

**Updated “Candidate List” of
SVHC substances (from December 20th, 2012)**

Herewith we confirm, that all our ink fluids and their solvents are in compliance with the “REACH-regulation” (EG 1907/2006).

Leibinger also confirms that “Substances of Very High Concern” (SVHC) in the sense of the latest updated “Candidate List from December 20th 2012” of the REACH guideline, are not in higher concentrations in the Leibinger products than the prescriptive limits.

Any trace quantities of these substances may be a result of unknown impurities in raw materials and in any event are not added intentionally by P. Leibinger GmbH.
